

Christina Parasyn BAppSc(OT) '98

International Achievement

In Christina's current position with AusAID she has been responsible for managing emergency relief activities. Her current project focuses on implementing the government policy "*Development for All: Towards a disability-inclusive Australia aid program 2009-2014*".

Christina has been interested in international work since her participation in Operation International in her final year. Since graduating Christina has worked in the Maldives, Fiji, India, Papua New Guinea, Vietnam and Samoa.

Christina has also been involved with the Faculty in seeking international placements for students supporting and supervising Occupational Therapy students participating in Operation India.
