

Chris Code: Curriculum Vitae

Year Ending December 2006

DOB: 1/9/42

POSITIONS: Honourary Professor, Communication Sciences & Disorders,
University of Sydney.
Honorary Fellow, School of Psychology, University of Exeter.
Fellow, Hanse Institute for Advanced Study, Delmenhorst, Germany
2001-2002
Visiting Professor, University of Louisiana at Lafayette, to Present

EDUCATION:

<u>Year</u>	<u>Degree</u>	<u>Institution</u>	<u>Area of Study</u>
1983	PhD	University of Wales,	Neuropsychology.
1979	Further Education Teacher's Certificate	City & Guilds	Teaching
1976	MA	University of Essex	Phonetics/Linguistics
1973	Dip Speech Path	School for the Study of Disorders of Human Communication	Speech Pathology

WORK EXPERIENCE:

Professional Academic:

<u>Years</u>	<u>Institution</u>	<u>Position</u>
1998-Present	University of Sydney	Professor (Hon)
1997-Present	University of Exeter	University Research Fellow/Recognised Teacher
2002-Present	Speakability (Voluntary)	National Advisor on Aphasia
1999-2002	Speakability	Research Manager & Regional Development Advisor
2002	Hanse Institute for Advanced Study, University of Bremen	Visiting Research Fellowship
1992- 1998	University of Sydney	Foundation Professor,
1989-1992	De Montfort University, Leicester, UK	Research Fellow
1982-1989	Leicester Polytechnic, UK	Senior Lecturer
1988-1989	Leicester University, UK	PT Lecturer
1986/87	Sheffield University, UK	PT Lecturer
1978-1981	Sth Glamorgan Inst,Cardiff, UK	Lecturer
1980-1981	University of Wales, UK	PT Tutorial Fellow,

Professional Non Academic:

<u>Years</u>	<u>Institution</u>	<u>Position</u>
1973-1976	Torbay Hospital Group, UK	Group SLT
1976-1978	Sth Devon Health Auth. UK	Sen. SLT
1979-1981	Caerphilly Miner's Hospital, UK	Hon. Sen.Speech
1986-1989	Carlton Hayes Hospital, Leicester, UK	Hon. Research Assoc.
1986-1989	Leicester Polytechnic, UK	Director, ADA Aphasic Group
1992-Present	University of Sydney Communication Disorders Clinic	Consulting & Treating
2002-2003	Hanse Institute for Advanced Study University of Bremen, Germany	Research fellow

AREAS OF SPECIALIZATION:

neuropsychology of language, speech & related processes; neuropsychology of emotion, facial processing, praxis and calculation; aphasia and other communication problems following brain damage; psychosocial and emotional reaction to brain damage and communication impairment; right hemisphere language & speech; evolution of language and speech and the contribution of aphasia.

Examining

1999-2002: External Examiner, School of Behavioural Sciences & Communication, University of Ulster.

1986-1989: External Examiner 4th Year of BSc (Hons) Speech Sciences: National Hospitals College of Speech Science, University of London.

1987: External PhD Examiner: Dept of Psychiatry, University of Nottingham.

1988: External DPhil Examiner Department of Linguistics, University of York.

1991: External MPhil Examiner Department of Psychology, University of Bradford.

1991: External MPhil Examiner, Department of Psychology, University of Central Lancashire.

1993: External PhD Examiner: Dept of Speech & Hearing, University of Queensland.

1994: External PhD Examiner, Dept of Psychology, Curtin University, Western Australia

1994: External PhD Examiner, Dept of Speech & Hearing, University of Queensland

1995: External Masters Examiner, School of Communication Disorders,
LaTrobe University, Victoria

1995: Internal PhD Examiner, School of Communication Disorders, University of Sydney.

1995: External PhD Examiner, School of Human Communication Sciences, La Trobe University, Melbourne

1996: Internal Masters Examiner, School of Communication Sciences & Disorders,
University of Sydney

1997: Internal Masters Examiner, School of Communication Sciences & Disorders,
University of Sydney

1998: Internal PhD Examiner, School of Psychology, University of Exeter.

1999: External PhD Examiner, University of Technology, Sydney.

1999: External Masters Examiner, University of Newcastle, Australia.

2001-2004: External Examiner for UG/Masters Psychology, Department of Communication Sciences, University of Sheffield.

2001: External PhD Examiner, University of Sheffield

2002: External PhD Examiner, LaTrobe University

2002: External PhD Examiner, University of Sheffield

2002: External PhD Examiner, University of Groningen, Holland

2002: External PhD Examiner, City University, University, London
 2005: External PhD Examiner, University of Western Australia, Perth
 2007: External PhD Examiner, University of Newcastle
 2008: External PhD Examiner, University of Reading
 2007/8: External PhD Examiner, University of Manchester

Professional Activities

1989: Committee Member British College of Speech Therapists Advanced Clinical Studies in Aphasia Sub-Committee.
 1985-1992, British College of Speech Therapist's Regional Specialist Clinical Adviser on Aphasia.
 1991-1992: Committee Member British Aphasiology Society.
 1991-1992: Co-ordinator: Study Days, British Aphasiology Society .
 1994: Invited Member Reviewing Panel for the ISAAC International Conference.
 1994: Australian Representative of International Clinical Phonetic & Linguistics Association.
 1994: Journal Task Force member for Australian Association of Speech & Hearing
 1994: Consulted on Criteria for Reciprocal Recognition, American Speech & Hearing Association
 1996-1997: Convenor & Chair for Launch of *Advances in Speech & Language Pathology* for Speech Pathology Australia.
 1997: Member of the Scientific Board of the German Academy of Neuropsychology & Rehabilitation
 1999-Present: Committee Member, British Aphasiology Society
 1999-Present: Membership Committee Member, Academy of Aphasia.
 2004: Invited Member of the Scientific Committee, 8th International Aphasia Rehabilitation Conference, Milos, Greece.
 2004-2005: Invited Member of the Scientific Committee, Wernicke's Centenary Conference, Poland.

Honours & Awards

1990: Award of the Polish Society of Aphasiology in recognition of contribution to international aphasiology.
 1996: Fellowship of the British Psychological Society
 2001: Award of Speech Pathology Australia for 'your contribution to the foundation of the Australian journal *Advances in Speech & Language Pathology*
 2001: Citation of the Polish Neuropsychological Society for 'outstanding achievements in neuropsychology and invaluable contributions to the store of knowledge of the workings of the human brain'.
 2004: Fellowship of the Royal College of Speech & Language Therapists awarded for 'your work in of special value to the profession in research and publishing'.
 2007: Presentation of **Clinical Aphasiology: A Festschrift for Chris Code**. Editors: Ball, MJ & Damaico, J. (2007). Hove East Sussex: Psychology Press.

PROFESSIONAL ASSOCIATION MEMBERSHIPS:

<u>Year(s)</u>	<u>Organisation</u>
1973- 2007	Royal College of Speech & Language Therapists

1983-1995	Associate Fellow of the British Psychological Society
1986- 2007	Chartered Psychologist (BPS), Practising Certificate
1991-1999	Special Group of the BPS in Clinical Neuropsychology
1987- 2007	Member: American Academy of Aphasia
1985- 2007	Member: British Neuropsychological Society.
1985- 2007	Member: British Aphasiology Society.
1989-1997	Australian Representative: International Clinical Phonetic & Linguistics Assoc
1992- 2007	Member; Australian Soc. for the Study of Brain Impairment
1996- 2001	Fellow, British Psychological Society
2000-Present	Membership Committee, Academy of Aphasia
1999-2001	Committee Member, British Aphasiology Society
1999-present	Member ; Scientific Board of the German Academy of Neuropsychology & Rehabilitation.
2001-Present:	Honorary Member of the Polish Neuropsychological Society

JOURNAL EDITORIAL & REVIEWING

Founding (1987) and Current Editor in Chief **Aphasiology**: an International & Interdisciplinary Journal, published by Taylor & Francis, London.
 Editor: **International Journal of Language & Communication Disorders** (Royal College of Speech & Language Therapists 2003-2005)
 Editor (1994-1995) **Australian Journal of Disorders of Human Communication**.
 Editorial Advisory Board Member **British Journal of Clinical Psychology** (1991-). BPS
 Editorial Board Member of **Journal of Neurolinguistics**. Pegamon (1987-1990).
 Editorial Board Member of **Journal of Neurolinguistics**. Pegamon (1997- Present).
 Editorial Board Member of **Clinical Linguistics & Phonetics**. Taylor & Francis. (1987 - Present)
 Editorial Board Member of **Disability & Rehabilitation**. Taylor & Francis (1994 -Present)
 Editorial Board Member of **Asia-Pacific Journal of Speech & Language Pathology**, Whurr Publications (1995-Present)
 Executive Editorial Board Member **Advances in Speech & Language Pathology**. (1999- Present)
 Editorial Board member **Journal of Medical Speech-Language Pathology** (2000- Present, Singular Press)
 Editorial Board Member **Brain Impairment** (2000- Australian Academic Press)
 Editorial Board Member, **Seminars in Speech and Language**. (1998-Present)
 Editorial Board Member of **Acta Neuropsychologia** (2003-Present)
 Senior Editor of the book series **Brain Damage, Behaviour and Cognition**. Psychology Press.
 Consulting Editor for the Routledge Book Series **Applied Language and Speech**.
 Executive Editorial Board Member for the John Benjamin Book Series **Studies in Speech**

Pathology and Clinical Linguistics.

Convenor of Executive Editorial Board **Advances in Speech & Language Pathology.** (1997-present)

Member Executive Editorial Board **Advances in Speech & Language Pathology.** (2005-present)

Associate Proceedings Editor, 36th Clinical Aphasiology Conference, Ghent.

Additional Reviewing

Brain

Brain & Language

The Lancet

Journal of Geriatric Psychiatry & Neurology

Journal of Communication Disorders

Neuropsychologia

Neuroscience Letters

Behavioural Brain Sciences (Associate)

PUBLICATIONS AND PRESENTATIONS

INVITED PRESENTATIONS

Code, C. (2008) The History of Aphasia Therapy. Invited Key Note Speaker, Swiss Aphasia Society, October.

Code, C. (2008) Psychosocial & Community Issues in Aphasia. Invited Key Note Speaker. Portsmouth Aphasia Group, NHS Portsmouth. May.

Code, C. (2008) The calculating Brain. Guest Speaker, Meeting of the Retired Engineer's Club, Exeter. Faculty of Logopedics, Zagreb, Croatia, November

Code, C. (2007) Invited Key Note Speaker, Scientific Meeting of the Faculty of Logopedics, Zagreb, Croatia, November

Code, C. (2007) Self-help for aphasic people and their relatives. Invited presentation, University of Louisiana at Lafayette, May.

Code, C (2006) The future of aphasia therapy. **Invited Keynote Presentation. Nordic Conference on Aphasia: New Knowledge - New Directions, Sep 14-16, Oslo, Norway.**

Code, C (2006) Presenting the past and passing the future of clinical aphasia. **Invited Keynote Presentation. International Aphasia Rehabilitation Conference, Sheffield, June, 2006.**

Code, C. (2005) Big Writing. **Invited presentation, School of Communication Sciences & Disorders, Nov 6, 2005.**

Code, C. (2005) The evolution of aphasic speech automatisms to agrammatism and the evolution of human language. **Invited presentation, Macquarie University, Sydney, Oct 31. 2005.**

Code, C (2005) The recovery of aphasia. **Invited Keynote Presentation. Third Congress of Croatia Speech & Language Pathologists. Sep 28-Oct 1, Dubrovnik, Croatia.**

Code, C (2004) Psychosocial life and aphasia. **Invited Keynote Presentation, Argentinian Aphasia Symposium, Nov 21-24. Buenos Aires (funded by British Counsel)**

Code, C (2004) Speech production from the left and right hemispheres following brain damage. **Invited Keynote Presentation, Argentinian Aphasia Symposium, Nov 21-24. Buenos Aires (funded by British Counsel)**

Code, C (2004) Mechanisms of aphasic speech automatism production. **Invited Keynote**

Code, C (2004) Mechanisms of aphasic speech automatism production. **Invited Keynote**

Presentation, Agentinian Aphasia Symposium, Nov 21-24. Buenos Aires (funded by British Counsel)

Code, C. (2004) 'Disordered Communicative Interaction; current and future approaches to analysis and treatment', **Invited Discussant, Stirling University Management Centre, Stirling, 26th October, 2004.**

Code, C. (2004) The psychosocial impact of aphasia. **Invited Keynote presentation International Aphasia Rehabilitation Conference, Milos, Greece, August.**

Code, C. (2003) Numbers in the brain. Hanse Institute for Advanced Study. Invited Fellowship Lecture, Delmenhorst, Germany, Dec.

Code, C. Ball, M., Tree, J., Dawe, K., Kay, J. & Edwards, M (2003) Progressive Cortical Anarthria With Apraxias. **Invited Visiting Professorship Lecture, University of Louisiana at Lafayette (March).**

Code, C. Tree, J., Dawe, K., Kay, J. Ball, M. & Edwards, M (2003) Progressive Cortical Anarthria With Apraxias. **Invited Presentation, 'Vocalise to Localise' Symposium. University of Grenoble (January).**

Code, C. (2002) The psychosocial impact of aphasia. **Invited presentation, Department of Neuroscience, University of Bremen.**

Code, C. (2002) Calculation and the brain: past & prospective PET studies. **Invited presentation, University of Bremen**

Code, C. (2001) Calculation and the brain: PET studies. **Invited presentation, Exeter Neuroscience Network (November).**

Code, C. (2001) Invited Discussant for Recovery Symposium. **European Cognitive Neuropsychology Workshop, Bresanone, Italy (January).**

Code, C. (2000) Brain plasticity and speech control by the right hemisphere: converging evidence from aphasia, brain imaging, split-brain and hemispherectomy. **Keynote Address to the Spanish Neurological Society Conference, Marbella, Spain, October 28, 2000.**

Code, C. (2000) Self help for aphasia. **Invited presentation, Aphasia, a day of talks, discussions and workshops in memory of Felicity Osborne, July 14, Birkbeck College, London.**

Code, C. (2000) Calculation and number repetition: PET evidence. **Invited Seminar. Cognitive Neuroscience, Birkbeck College, London (July).**

Code, C. (1999) What's right about speech? **Invited Keynote Presentation, Annual Conference of the German Neuropsychological Society, Koln, Germany.**

Code, C. (1999) The neural and cognitive representation of syllables and apraxia of speech. **Invited Workshop Presentation, Max Planck Institute, University of Nijmegen, Holland.**

Code, C. (1998) Psychosocial adjustment to aphasia. **Invited Workshop to College of St Mark and St John, Plymouth..**

Code, C. (1998) The role of the right hemisphere in speech production. **Invited Seminar, School of Psychology, University of Cardiff.**

Code, C. (1998) Psychosocial adjustment to aphasia. **Invited Presentation to University of Southern Luisiana, Lafayette.**

Code, C. (1998) Recovery from aphasia. **Invited presentation at Luisiana State University, Baton Rouge.**

Code, C. (1997) Speech production from the right hemisphere. **Invited Plenary Presentation, Annual Conference of the Australian Society for the Study of Brain Impairment, Brisbane, November.**

Code, C. (1997) The Lateral Shift Hypothesis: the Role fo the Right Hemisphere in the Recovery & Treatment of Aphasia. **Invited Workshop, Annual Conference of the Australian Society for the Study of Brain Impairment, Brisbane, November.**

Code, C. (1995) . A metamodel of recovery from aphasia. **Invited Keynote Paper, German**

- Aphasiology Society Annual Conference, Magdeburg, November.**
- Code, C. (1995) Sprache & Gehirn, **Invited Workshops. Summer School, University of Freiburg, Germany (August)**
- Code, C. (1995) Aphasic speech automatism. **Invited presentation in the Jacque Lordat Laboratory, University of Toulouse (October).**
- Code, C. (1995) The role of the right hemisphere in recovery & treatment. **Invited 4 Hour Workshop: German Neuropsychological Society Conference, Wurtzburg, Germany (October).**
- Code, (1994) The role of the right hemisphere in recovery & treatment of aphasia. **Invited Workshop, Flinders University, Adelaide (April).**
- Code, C. (1994) Emotional & psychosocial reactions to aphasia. **Invited Workshop, University of Melbourne (September)**
- Code, C. (1994) Invited Discussant. **Ist Australian Symposium on the Neuropsychology of Asian Language Processing. University of New South Wales, Sydney (December)**
- Code, C. (1994) The linguistics of aphasic speech automatism. **Invited Keynote Presentation at the Fourth Annual Symposium of the International Clinical Linguistics & Phonetics Association, New Orleans (November).**
- Code, C. (1993) Examining perceptions to psychosocial adjustment in aphasia. **Invited Seminar, University of Queensland (May).**
- Code, C. (1993) Linguistic aspects of speech automatism in aphasia. **Invited Seminar Department of Linguistics, University of Sydney (August).**
- Code, C. (1993) Psychosocial adjustment and emotional reaction to aphasia. **Invited Keynote Presentation. First Aphasiology Symposium of Australia, Sydney (October).**
- Code, C. (1993) Recovery from aphasia. **Invited Workshop, University of Queensland (May).**
- Code, C. (1993) Speech automatism in aphasia. **Invited Seminar, Speech Pathology Department, Prince Alfred's Hospital Sydney (September).**
- Code, C. & Muller, D.J. (1992) Measuring perceptions to psychosocial adjustment in aphasia. **Workshop presented to British Aphasiology Society Meeting, University of Sheffield (June).**
- Code, C. (1992) Emotional & psychosocial reactions to aphasia. **Invited Workshop, Lotte Stewart Hospital, Sydney (September).**
- Code, C. (1992) Psychosocial and Emotional Reactions to Brain Damage. **Invited Seminar, School of Behavioural Studies, Macquarie University, Sydney, August**
- Code, C. (1991) Developments in the Code-Muller Protocols: The British studies. **Invited Guest Speaker to the Linguistics Society, University of Freiburg, Germany (July).**
- Code, C. (1991) Problems in predicting clinical recovery from aphasia. **Invited paper presented at the British Aphasiology Society Conference, University of Sheffield (September).**
- Code, C. (1990) Modelling lexical speech automatism. **Invited Paper for Symposium on Repetitive Verbal Behaviour, European Cognitive Neuropsychology Workshop, Bresanone, Italy (January).**
- Code, C. (1990) The right hemisphere and interhemispheric inhibition in aphasia. **Invited Paper for the Third National Aphasiology Symposium, Gdansk University, Poland. October.**
- Code, C. (1990) The role of the right hemisphere in the recovery and treatment of aphasia: a critical appraisal. **Invited Guest Speaker at Annual Congress of the American Speech and Hearing Association, Seattle (November).**
- Code, C. (October-November, 1990) The role of the right hemisphere in the recovery and treatment of aphasia: a critical appraisal. **'Lecture tour' of the USA: University of Texas at Dallas; VA Centre Dallas; Arizona State University at Tempe; University of Northern Arizona; VA Centre Martinez, California.**

RESEARCH STUDENT SUPERVISION (1997-2001)

DOCTORAL:

Alison Perry (Graduated 1991)
 Jenny Harasty (Graduated 1997)
 Leanne Togher (Graduated, 1998) Motor Accidents Authority Scholar
 Patricia McCabe (Graduated 2002) Dora Lush Scholar
 Simon Cowell (Graduated 2002)
 Dr Peter Roger (Graduated 2003)
 Ema Power (Submitted, 2005) Australian PostGraduate Award

MASTERS BY RESEARCH

Claire O'Connor (Graduated 1997), SUPRA Scholar.
 Belinda Kenny (Graduated 1997, Private Speech Pathologists of NSW Prize Best PG Thesis)
 Melisa Jane (Graduated 1998)
 Debbie Toffolo (Graduated 1998)
 Shilpi Joshi (Graduated 1998)

POSTDOCTORAL

Dr Leanne Togher, 1998, Sydney 2000 Postdoctoral Scholar
 Dr Karen Croot, 1998-1999
 Dr Anthony Hogan, 1997 Faculty Supported PostDocturate Scholar
 1998, Sydney 2000 Postdoctoral Scholar
 ARC Postdoctoral Scholar

UG & HONOURS SUPERVISION

Gayle Terry (1st Class, Graduated 1996)
 Kellie Grant(Upper 2nd, Graduated 1996)
 Ema Power (1st Class with University Medal, Graduated 1997)
 Rebekah Robinson (Ist Class 1998)
 Karen Dawes (1st Class, Dissertation Prize, 2002)
 Shelley Bates (1st Class, 2003)
 Joanne Mason (Upper 2nd, 2004)
 Lucy Hooper (1st Class, 2004)
 Nathalie Pierce (1st Class, 2005)
 Nikki DeViel (1st Class, 2006)
 Jessica Smith (2007)
 Jennifer Farrance (2007)
